
90-minute workshop for medical schools

Designed as a virtual, interactive workshop; presentation "[Domestic violence in the Health Sector](#)" can be used and tailored to individual needs.

I. Preparation for the students - 3 days in advance

- [Home assignment](#) with 3 quotes on domestic violence
Discussion guided by those questions:
 - 1) What do these quotations ring in you? What do they say about domestic violence?
 - 2) Think about the ways in which you may have encountered the term 'domestic violence and abuse' so far. How do you define domestic violence and abuse? What does the terms mean for you and are you aware of any other terms describing the same phenomenon?
- Course content is based on the IMPRODOVA trainings platform:
www.training.improdova.eu:
[Module 1](#), [Module 2](#), [Module 3](#), [Module 4](#), [Module 5](#), [Module 6](#), [Module 7](#), as well as [statistics](#) and [training materials](#)
